

AMBER DENISE ROBINSON

LJWL MEMORIES

On campus poetry readings, narrative journalism with Dean Nelson, sunsets on sunsets, and so much love and support will be just a few of the unforgettable moments I had at PLNU.

WHAT'S NEXT

Work and travel for a while, then on to my Masters in Writing!

HOPE FOR THE FUTURE

I hope for a bright future, a successful first book, and the continuing desire to bring more love and understanding into the world.
