

CAMRYN OSTRANDER

Literature, B.A.

LJWL MEMORIES

My favorite memory in my major was probably making Christmas cookies at Dr. Pate's house with all of the other tutors from the Writers' Studio. Another memory would be talking about Jane Austen with Dr. Pedersen after watching the production of *Pride & Prejudice* a few semesters after taking her Victorian Lit class!

WHAT'S NEXT

After graduation, I plan to pursue my other interests in event planning for the City of Coronado and possibly going back to school to teach high school english in the future!

HOPE FOR THE FUTURE

I hope to continue to learn and grow from the world and take the lessons I've learned at PLNU to the next phases of my life.
